STUDENT COUNCIL

Throughout the year the T. J. C. Student Council has successfully directed many student activities. Under the leadership of Bob Nelsen, president, the Council has sponsored mixers, the Valentine Dance, and the Prom. Giving assistance to Bob were vice-president Bob Hodge and secretary-treasurer Mary Jo Feldes. Miss Grace Holton and Mr. Dale Helgesen, sponsors, have guided the Council in its projects.

Representatives to the Student Council include the presidents of the Co-Ed Club, Men's Club, freshman and sophomore classes, three representatives from each class, and a publications office member.

W. A. A.

Fun, sportsmanship, and friendship are just a few of the many advantages enjoyed by all members of W.A.A.

This year W.A.A. sponsored two gym jams where the co-eds enjoyed swimming, volleyball, table tennis and, of course, dancing. They also held roller skating in the girls' gym during the year, which proved quite successful. Always striving to please, the W.A.A. started a fencing class during the spring semester.

W.A.A. BOARD — Hope Anctil, secretary; Phyllis Hartwig, president; Melanie Gurzynski, treasurer.

LAMBDA EPSILON

Lambda Epsilon was organized by Dr. Minna Jewell in 1938 to encourage scholarship at Thornton Junior College. To receive the gold key a student must have 37 or more honor points during the semester following his election. Those students who have achieved this goal are initiated and receive their pins at the traditional banquet which is held every spring.

Standing: Max Adamski, Bob Hall, Bruce Ernst.

CALDRON

The aim of the *Caldron* yearbook is to record all of the major events that each year brings to Thornton Junior College. The finished product represents much work in planning layouts, writing, editing, securing advertisements, and typing copy.

Then in June, the staff distributes the book with a sigh of relief and a sense of achievement.

The school newspaper, the *Courier*, was put out by students who volunteered their services.

The paper came out approximately twice a month. The contents were geared to the activities and events concerning the students; special features and sketches on students were two of the highlights of the paper.

All of the students worked together to produce a worthwhile paper that was credit to the college.

L'ALLIANCE FRANCAISE

The meetings of *L'Alliance Française* were held in the Union Room under the sponsorship of Miss Florence Wunderlich. At these meetings French songs were sung and games were played. Miss Wunderlich also showed films of her travels in Europe.

The three language clubs combined to have their annual Christmas Party.

Row 1: Dorothy Waldo, vice-president; Jim Cooper, president; Bess Montagno, vice-president.

Row 2: Richard Carr, treasurer; Sharon Depperman, secretary.

DEUTSCHE VEREIN

To help make learning easier and more fun, "Der Deutsche Verein" was organized in the fall of 1931. The meetings feature German songs, games, and skits. Holidays were celebrated in the manner in which they are observed in Germany. "Der Deutsche Verein," together with the other language clubs, presented the annual Language Club Christmas party.

The sponsor of "Der Deutsche Verein" is Miss Jeanette Hills. Membership is open to any student of German in the Junior College.

Row 1: Howard Ward, president; Beverly Austgen, vice-president.

Row 2: Judy Kunde, secretary; Paul Hadley, treasurer.

EL CIRCULO ESPAÑOL

The purpose of the Spanish Club is to establish a better understanding of Spanish people and their customs.

The meeting of the club is held in the Union once a month under the supervision of Miss Wunderlich.

Row 1: Gerrie Palumbo, secretary; Ken Dulaney, president; Karen Fischer, treasurer.

Row 2: Lennie Pittacoro, vice-president.

THE MEN'S CLUB

The Men's Club is an organization composed of most of the male students enrolled in Thornton Junior College. The club work is carried on by its board, whose members are elected by the popular vote of both the freshman and sophomore classes.

The club projects are enthusiastically supported by most of its members. Several activities this year included the Sleighbell Ball, several smokers, and the Mother-Son Banquet.

Skip Mugg, Bob Stevens, Ed Fremel, Larry Alm.

Steve Kardaleff, Marshall Smith, Tom Zobel.

THE CO-ED CLUB

Seated: Kay Ryan, treasurer; Barbara Cederquist, first vice-president; Gale Anderson, president; Carol London, second vice-president; Nanci Krga, secretary.

Standing: Bess Montagno, Delta; Myrna Nelson, Kappa; Melanie Gurzynski Zeta; Rose Saturno, Beta; Judie Anctil, Gamma; Diane Ruswick, Epsilon.

The object of the Co-ed club is to further the progress of group relationships among the women by working as a whole, and promoting leadership and responsibility by having such activities as the Little Sister Tea, The Christmas Dinner, The Staggette, and many other activities.

There are seven sororities: Alpha, Beta, Delta, Epsilon, Gamma, Kappa and Zeta, each with a leader from the sophomore class.

Each sorority has the kitchenette in the Union Room for three weeks. At the end of the third week, the sorority members sponsor an activity.

This year the club is happy and proud to say that its money-making projects have made a big hit. Among these projects are the selling of pins, T.J.C. sweat shirts, banners, and car plates. The sponsor of the club is Miss Grace Holton.

MIXER

The Student Council of T.J.C. sponsored two mixers during the year. The purpose of the first was for the students to get acquainted with each other. The theme "Let's go Collegiate," was carried out in the major decoration, a large T.J.C. pennant on the net.

The second mixer was in honor of the football team which had refused the Bowl bid. The guests of honor were Coach Schloss and his wife, and of course, the entire football team. The Imperials provided the music and decorations carried out the name "Touchdown."

GYM JAM

What's your favorite sport? Swimming? Volleyball? Basketball? All these sports and more are available at the Gym Jams held each semester. The first Gym Jam of the school year was held on October 12, 1957, and another such event was held on January 18, 1958, in the school gym. These events are sponsored by the W.A.A. One can have fun at volleyball, basketball, badminton. table tennis, shuffleboard, swimming, or dancing. Refreshments are also served, helping to make this a night of fun for everyone.

Helen Ostrowsky, Judy Ritchie, Hope Anctil, Rose Belmonti, Mary Jo Feldes.

CHEERLEADERING

Being the only remaining cheerleader from last year's squad Captain Hope Anctil had the problem of training and picking the cheerleaders by herself. The new cheerleaders for this year are Rosemarie Belmonti, Mary Jo Feldes, Helen Ostrowsky, and Judy Ritchie.

The cheerleaders this year cheered the team on to victory, even to the bowl bid received this year.

These peppy girls were at all the games, cheering for the football and basketball teams. They were always trying to cheer them on to victory and success.

They also worked hard at promoting spirit among the whole student body.

We all think these cheerleaders are peppy and have lots of spirit for our teams. They have done a splendid job this year.

Ed Fremel, Dennis O'Connor

SMOKERS

Of all the activities sponsored by the J.C. Men's Club, the Smokers are solely for men. Here all the men gather for movies, food and some *do* smoke. Mr. Dale Helgesen, sponsor, and Skip Mugg, president, presented a fine movie about the Mexican Track and Field events at the first smoker, and at the second smoker "Riders to the Stars", a science fiction movie was shown.

SLEIGHBELL BALL

The annual Sleighbell Ball, the most exciting event of the Christmas holiday season, was a bigger success this year than ever before.

The dance, sponsored by the Men's Club, has been an annual affair since 1953. This year they did something different and held the dance at the beautiful Cherry Hills Country Club. Everyone had such a wonderful time dancing to Henry Butell and his orchestra.

The evening, the country club, and the orchestra made the dance just perfect.

THE STAGGETTE DANCE

On March 29, 1958, the Staggette, "Rainbow's End," was held in the Louis XIV Room of the Shoreland Hotel.

Couples danced to the music of Henri Butell's orchestra from 9:00 to 12:00. Especially proud and happy were sophomore members of the court, consisting of Hope Anctil, Gale Anderson, Nancy Krga, Trucy Voss, and freshmen Nancy Burgoyne, Carol London, Virginia Matthews and Judie Ritchie. Dancing continued after the climax of the evening, the coronation of the Sweetheart by the Maid of Honor.

THE PROM

The students brought the school year to a close on May 31, 1958, at the Thornton Junior College prom. The students danced in the Crystal Ballroom of the Del Prado Hotel to the dreamy music of Vic Faraci's 14 piece orchestra.

On the brighter side Tom Seliga, T.J.C. halfback, was chosen to play in the Junior College All-American football game in Jackson, Mississippi.

In three years T.J.C. was undefeated in 20 consecutive games with one tie. T.J.C. 7 Wilson 7, and have scored a total of 513 points to their opponents' total of 137. The most points scored against Thornton in one game in its undefeated streak was 14 by Joliet J.C. in 1957. when Thornton came from behind to beat them 28-14.

BASKETBALL

Thornton's basketball team did not earn the laurels as the football team did. Many people. including Mr. Schloss had great expectations at the beginning of the season. However the team was virtually out of the race for the Illinois Junior College Championship from the start.

TRACK

On May 24, 1957, the J.C. track team met in Stagg Field to compete for a position in the track and field events. They came out with fifth in the relays and fifth in the meet. Among the outstanding showings were Frank Michaelowski who placed fourth in the 2 mile, Larry Alm who placed third in the 440 in 52 seconds flat. Skip Mugg placed fourth in the 440 in 52.2 seconds right behind Alm, and Mike Riley placed second in the high hurdles and third in the high jump. All in all, Coach Pete Schloss and his boys did fairly well in the meet.

TENNIS

Coached by Bob Anderson the Thornton tennis team finished the season with 5-3 record and placed fourth in the conference. The top doubles team composed of George Skertich and George Tampa brought prestige to Thornton by finishing second in doubles competition.

GOLF

Faced by bad weather the J.C. golf team, coached by Bob Anderson, played in only three matches. They beat Joliet Junior College and they in turn faced Thornton again and beat them. The other match Thornton lost to Wright Junior College making 1-2 record for the season and finishing fifth in the conference, or you might say in the cellar.

BOWLING CLUB OFFICERS
Dennis O'Connor, President, Wally Warszalek, Vice-President, Ed Mehlan Treasurer, John Ure, Secretary.

BOWLING

Hard work and cooperation made the year a successful and prosperous one for the bowling club. Sixteen teams made up the T.J.C. Private League which bowled weekly at the Parkview Lanes in Riverdale.

It has been a very active year for the club, with Santa appearing at Christmastime to give out presents to each team member as a gift from the club and the banquet also being offered to the members free of charge from the weekly monies collected from the members.

Trophies will be presented at the banquet for the first, second and third place teams and also to the last place team. The banquet was held on May 21, at Surma's.

The board of students responsible for the organizing and controlling of the league's activities include all the team captains and the officers of the club: President, Dennis O'Conner; vice-president, Tom Zobel; secretary, John Ure; treasurer, Ed Mehlan; and A.B.C. representative Ed Fremel.

The smile on Sharon Depperman proves one of two things, she got a strike or she's just smiling for the cameraman.

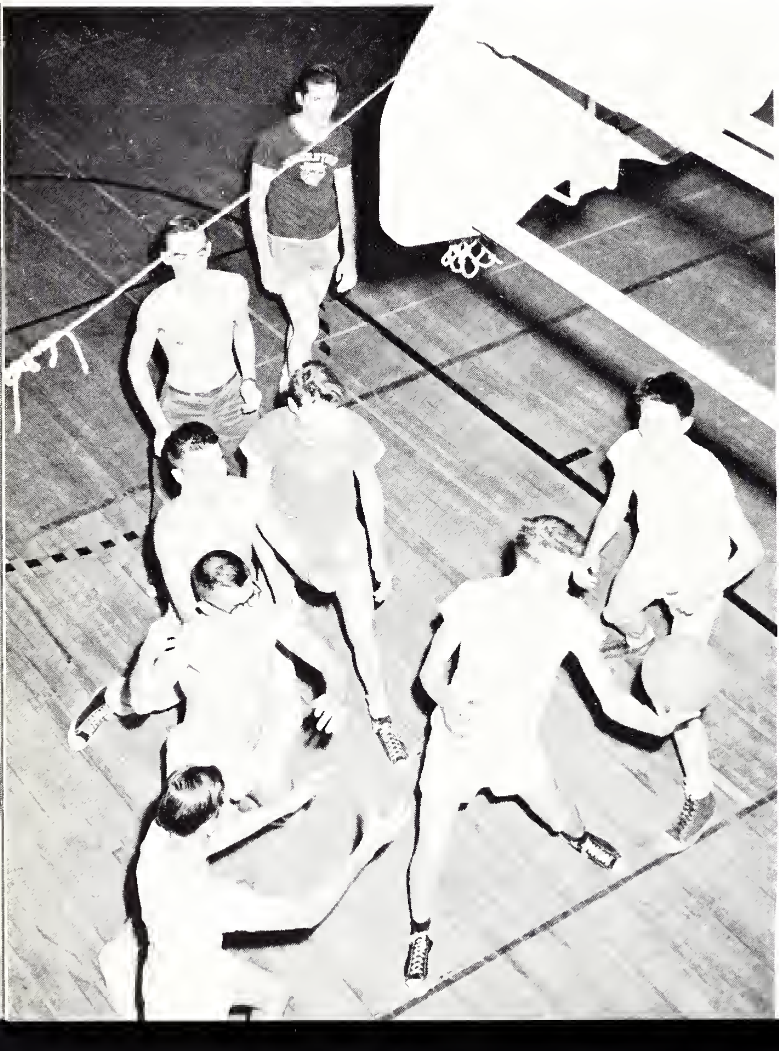
Here they are, the girls with the new slim look because they knew how to do their exercises.

WOMEN'S PHYS. ED.

Under the direction of Miss Gray, the women of T.J.C. were offered numerous recreational activities. Among them were modern dancing, square dancing and a variety of exercises to keep those slim figures. In the spring the women also participate in volleyball, swimming, tennis and golf.

Perfect form and coordination make these girls top square dancers and would give Red Foley and his gang a run for their money.

You can never tell what some of the fellows will be doing in Buda gym, as witnessed by the antics of this fellow on the trampoline.



MEN'S PHYS. ED.

Under the direction of Mr. Carl Mendenhall, J.C. men were offered a variety of sports and recreational activities. Among those offered were basketball, softball, swimming, football, and even weightlifting for those wanting to get in tip-top condition.

No it isn't a ballet. It's just some of those fellows in Buda going through a game of basketball.
